# Frank, Near Grave, Denied Guilt In Letter to Washington Man The letter written by Frank analyzes and emphatically denies the truth of several points in Conley's testimony. It states that though the writer is improving he is still confined to his bed by weakness. W. B. White, crack high jumper of the Mandred of the George Washington University basket-ball team and states that though the writer is improving he is still confined to his bed by weakness.

Few Hours Before Lynching, Prisoner Wrote J. A. Hennesy, of This City, Analyzing Testimony Which Convicted Him of the Murder of Mary Phagan.

A letter from Leo M. Frank, writ-ten a few hours before his abduction the State's chain of evidence against from the State prison farm at Mill- Frank was some hair found where the edgeville, Ga., and us which he vig-orously protests his innocence of the murder of Mary Phagan, has been re-his review that is supposed to convince ceived by J. A. Hennesy, of 1226 Irving street northeast, this wify. The missive was mailed just a few hours before the prisoner was suatched from his cell by the lynching party and his cell by the lynching party and

or any of his relatives. The prisoner This bit of hair was instrumental in or any of his relatives. The prisoner answered the points systematically.

"I wrote to Frank," said Mr. Hennesy last night, "about the following statement, made by Thomas E. Watson, a criminal lawyer of prominence.

"Leo Frank knew on April 26, 1913.

"No one knows what became of the

that Jim Conley, the negro, was the only man in that building who could have assaulted and killed the girt; As they were not Mary Phagan's it is and Frank never once hinted a sus-picton against the negro until after the negro confessed and told how Mary was murdered.

A Reply from the Grave.

ions and you can verify by the record, There was no testimony that showed or 'n the building. I was unaware of his aresence there at the time. Conley's "confession" of May 28, 1913, was the first nkling that anybody had that he was it the factory on Saturday, April 25, letter to me:

"Between fifty and sixty factory girls tatement and second affidavit. He made testified in my behalf, only ten against. ment on the stand at the trial differed m all his previous (four) statements, ey is the sole source of the "story" that | fraternal life."

guardsmen as they went through their drill this afternoon

Certainly nothing has been spared in the way of variety of weather. On the first night the camp was flooded by a terrific downpour, on the second and third nights it was so cold half of the 1,309 men nearly froze in their cots, while to-night promises to be a scorcher. Mosquitoes have been conspicuous by absence, while the pesky fly is only pres-ent at meal time, and then in negligible

numbers. The drilling today probably was per-formed under conditions more like those n time of war than on any previous day The field, which is necessarily without shade of any kind, is a regular oven, the sun having baked the soil, causing it to shoot the heat up. The drill periods are the same each day and in the afternoons,

The many athletes of the different companies between whom a spirit of friendly rivalry has grown up are all ooking forward to the regimental ataletic meet, the date for which was ansounced today as being Monday, at

the hottest part of the day, last from 1:30

Program of Events.

The program of events will consist of the following: 100-yard dash, 220-yard dash, 440-yard dash, company relay (880 yards; each men to run 22 yards), three-legged race, equipment race, shelter tent pitching only one entry from each company allowed), and wall scaling ( one squad from each company compulsory). Among the athletes here who should do good work are Clarence Rose, formerly of the tremonts' crack re-

lay team; C. E. Smithson, former star runner of the Gurley Athletic Club; W. B. White, crack high jumper of the

day.
Sunday will be the big day here and several thousand visitors are expected. The Sabbath is the only day of the week when there is no drill instruction, and consequently the men have nothing to do except to pass in review at 4:30 o'clock Sound, August 2.
